PROPERTY SUMMARY

EXECUTIVE SUMMARY

2114 Mermaid Avenue presents a compelling mixed-use investment opportunity in a prime Coney Island location, Brooklyn. This approximately 3,135-square-foot building is configured primarily as a four-family property with one ground-floor store/office (S4 classification), offering a balanced combination of residential and commercial income potential. The property includes four residential units totaling approximately 2,090 square feet, along with a commercial component that can accommodate retail or office use. Its versatile layout makes it well-suited for investors seeking stable cash flow through diversified tenancy in one of Brooklyn’s evolving coastal neighborhoods.

LOCATION OVERVIEW

Strategically located on Mermaid Avenue in the heart of Coney Island, 2114 Mermaid Avenue offers a prime mixed-use investment opportunity in one of Brooklyn’s evolving coastal neighborhoods. Positioned along a well-traveled commercial corridor just minutes from the Coney Island–Stillwell Avenue transit hub, the property benefits from strong accessibility, a dense residential population, and consistent neighborhood activity. Surrounded by a mix of multifamily housing, local retailers, and major attractions, the asset is well positioned to provide stable residential and commercial income with long-term appreciation potential in a growing Brooklyn market.
