

350 East 77th Street

Brooklyn, NY 11209

DESCRIPTION

Spacious three-family home spanning 2,713 SF across three floors, plus a walk-in basement with additional square footage not included in that total. Five legal bedrooms (plus a bonus sixth bedroom in the basement) and four full bathrooms give plenty of room for multiple households or extended family. The Basement Unit Features an In-Unit Laundry Area. A private terrace off the second floor is accessible to that unit only. Parking is a rare find here — a full private driveway. Located half a block from the R train at 350 East 77th Street.
